

Project Submittal is open now and the IRWM Website is available at <http://www.cvrwmg.org/>

Under projects the site will take you here <http://irwm.wrime.com/cvirwm/login.php> this is where you can enter the projects.

From **3:00-5:00pm** on the 28th, we will be hosting an Open House to provide support and guidance for participants who wish to enter projects into the Coachella Valley IRWM project database. Computers and internet access will be provided.
