

Save the Date: You're invited to participate in the Coachella Valley Regional Urban Water Management Plan

Six water agencies in the Coachella Valley are collaborating to develop a regional Urban Water Management Plan (Plan). The Plan will show our continued approach to collaborative management of water resources into the future. Our first public workshop is December 14. To request Spanish interpreter services for the workshop, please contact Ashely Metzger at AMetzger@dwa.org by December 9, 2020.

Workshop #1: Community Values and Plan Overview

Monday, December 14, 2020 • 2:00pm-4:00pm • Via Zoom

WHAT TO EXPECT: In this educational and interactive workshop, attendees can weigh in on things like drought response measures and Plan outcomes that are most important to them. To set the stage, the project team will give an overview of local water supplies and the Plan (e.g. Plan requirements, Plan contents, etc.). The workshop will incorporate interactive activities and open discussion. *The input collected during this workshop will be summarized and used to inform the final Plan.*
