

**Coachella Valley Integrated Regional Water Management
2015 IRWM Implementation Grant Proposal
Authorization and Eligibility Requirements – Eligible Applicant
Documentation**

Eligible Applicant Documentation

This *Coachella Valley 2015 IRWM Implementation Grant Proposal* is being submitted by the Coachella Valley Water District (CVWD) on behalf of the following agencies and Tribal government:

1. Mission Springs Water District (MSWD) – MSWD Water Supply Reliability Program
2. Desert Water Agency (DWA) and Coachella Water Authority (CWA) – Regional Turf Reduction Program
3. CVWD – Regional Well Retrofit and Abandonment Program
4. CVWD – DAC Septic Rehabilitation and Demand Reduction Program
5. Torres Martinez Band of Desert Cahuilla Indians (DCI) – Torres-Martinez Septic to Sewer Conversion Project
6. CWA – Shady Lane Water and Sewer Connection Project

CVWD applied for a Round 2 IRWM Implementation Grant in March 2013. Per terms stipulated in the Proposal Solicitation Package, because CVWD applied for an IRWM Grant after January 1, 2012, additional eligible applicant information is not required within this Proposal.
